## June's Recipe: A Sinful Chocolate Cake

GF chocolate ganache cake	

I was absolutely desperate for chocolate cake for my birthday, but my GF world doesn't allow for my favorite Betty Crocker chocolate on chocolate. I stumbled across this recipe from Deliciously Ella, and holy cow, it delivers. An absolute flavor explosion, and sinfully rich.

It doesn't matter that it's gluten-free and made of avocados (ergo: good for you!), this dessert will win over everyone.

	I NEED that recipe!	

Thank you, as always, for being the best readers on the planet. I'll be back on release day with a special surprise for you, and let me know what you think of the new look. Be well, and keep reading!

Let's get social. I don't bite!
