October 2017 Newsletter

Vol. 190

## Hi, Gentle Reader!

Happy Fall!

No, you're not crazy: the October newsletter is coming a wee bit early, because I have some super exciting news (see the big header below) and I just couldn't wait to share it. And since this is my newsletter, I make the rules. So there.

How's it going in your neck of the woods? I am *this close* to wrapping the LIE TO ME tour—only one more event before I crawl back into my writer hole and whip up more stories. Right now Catherine and I are crafting all kinds of fun for Nicholas and Mike's fifth adventure, THE BLOOD CABAL. Want a hint? Falcons. That's all you get for now.

Oh, and I have to tell you: I owe y'all the biggest thank you on the planet. LIE TO ME has launched into the world on your wings. Your kind words and reviews, telling your friends about the book online and in person, made all the difference. Thank you so much for being the best readers on the planet, for reading my books, stocking them in your stores and libraries, and sharing them with your friends and family. Seriously, I could not have my dream job without you!

**Check it out: my friends and I put together a Southern Gothic story collection!** It's our first multi-author anthology from Two Tales Press, and I'm so thrilled to bring you stories from these talented folks.

Here's a bit more about it:

*From childish demons to a mad novelist, from the Mississippi delta to the Appalachians, this collection from emerging voices and New York Times bestselling authors explores what happens when secrets that lie beneath the dust are disturbed—and our worst nightmares begin.*

**DEAD ENDS is super creepy reading just in time for Halloween.** I hope you enjoy it as much as I did! You can get your copy in ebook, hardcover, or paperback.

## O Canada, I'm coming soon!

Come see me at Boucheron 2017!

Canadian readers, y'all are the bomb – you put LIE TO ME in the top ten on *The Globe and Mail* and *Toronto*

Star bestseller lists!

Let's celebrate our book love together at Toronto Bouchercon, shall we?! can't wait to meet you in person.

Here's where to find me at Bouchercon...

## What I'm Reading

This month was filled with stories from powerful women writers.

I'm ecstatic to continue Kendare Blake's Three Dark Crowns series. On the LIE TO ME tour, I met the lovely (and hilarious) Eleanor Brown and devoured her book, A PARIS ALL YOUR OWN. I am still glowing from Ariel Lawhon's breathtaking novel I AM ANASTASIA, a story about Anastasia Romanov and Anna Anderson. And I am always in awe of the storytelling prowess of my brilliant friend Catherine Coulter—what a doozy of a book for Savich and Sherlock!
